## Analyzing Story Elements: Dialogue

Use the organizer to analyze how dialogue affects other elements of a story or drama that you have read. Enter excerpts of dialogue that affect the action of the story in the left column. Then, in the right column, explain what affect the dialogue had on the plot or character.

<b>Dialogue</b>	<b>How the Dialogue Affects Action</b>

<b>Dialogue</b>	<b>How the Dialogue Reveals Character Traits</b>

<b>Dialogue</b>	<b>How the Dialogue Provokes a Decision</b>

## Analyzing Story Elements: Plot

Use the organizer to analyze how plot incidents affect other elements of a story or drama that you have read. In the left column, list plot events that affect the action of a story or drama. Then, in the right column, explain what affect the plot events have on character or action.

Plot Event	How the Event Affects Action
Event 1	
Event 2	

Plot Event	How the Event Reveals Character Traits
Event 1	
Event 2	

Plot Event	How the Event Provokes a Decision
Event 1	
Event 2
